Conf. 80221 9/49 — Subject:— Medical Institutions — South Kanara Dt Board — Rural dispensary at Kalavar — opening of —

Ref. From the Special offr, South Kanara District Board, no. 7618 — A 4 — 48 dated 5.9.49
From the S.G. no: 83643 H/49 dated 14.10.49.

In his letter of page 3 of the Special offr, South Kanara District Board — request sanction for the opening of a subsidised dispensary at Kalavar village in this district on the ground that there is no provision for proper medical relief for the poor cultivators within a radius of about eight miles of the village. The villagers have agreed to provide a building for housing the dispensary. For the time being it is proposed to appoint an L.I.M. as R.M.P. and to convert the dispensary into a dispensary of modern medicine if and when a medical practitioner of allopathic system of medicine becomes available.

The S.G. recommends the proposal

The proposal involves the payment of a subsidy by Govt. to the R.M.P. The subsidy payable will be Rs. 900/- p.a. if the medical practitioner to be appointed is a medical graduate or Rs. 780/- p.a. if he is a licentiate. The District Board will have to bear the following items of expenditure:—

Cost of Medicine - . Rs. 1,000/- p.a
Cost of Contingencies. Rs. 140/- p.a

Total Rs. 1140 . p.a.

It is presumed that the District Board will be able to bear this expenditure from its funds.

The Govt. attach special importance rural development and have stressed that proposals relating to rural development should be given liberal consideration. The proposal may therefore be forwarded as a Part II scheme for 1950-51 with the support of this Dept.

Please see the note of E+P.H. above. The financial position of this Dt. Bd is not satisfactory. On the basis of the BE for 1949-50 the estimated ordinary receipts under the General Head fall short of the ordinary expenditure by Rs 59,490. The expenditure referred to at "A" above is a recurring one and it will not be possible for the Dt. Bd to meet this expenditure from its funds every year.

~~21/10/49~~

~~The S. O of the D.P. Bd~~ may perhaps be asked to postpone the proposal till the financial position improves.

The file may be passed on to Finance. Proc. E+P.H.

The dt bds Edy Edn Fund is working at a deficit of Rs 6 lakhs. It will be inadvisable to increase the recurring commitments of the dt bd. Even if the dt bd secures a small surplus under the Local Fund Act, the surplus shd be applied to reduce the deficit in the E. Ed. The scheme may be deferred.
